

Faith

Past, Present, Future

You came to Jesus by faith, now you are called to walk in newness of life and your new way of walking is to walk by faith not by sight towards your new destiny. Last week we considered three questions concerning how we view our personal faith:

- Do I have Faith that God has repaired my PAST LIFE? **2 Corinthians 5:17** *Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold all things have become new.*
Faith has brought victory over your Past.
- Do I have Faith that God is blessing my PRESENT LIFE? **Hebrews 11:1** *Now faith is the substance of things hoped for, the evidence of things not seen.*
Faith secures God's promises for your Present.
- Do I have Faith that God will bless my FUTURE LIFE? **Hebrews 11:1** *Now faith is the substance of things hoped for (future), the evidence of things not seen (present).*
Faith set you on the right path for your Future.

The Kingdom of God has its own economy and like all economies, purchases can only be made by using the authorized currency. In God's kingdom, faith is what gets things done. The amount of faith that you have determines your purchasing power in God's economy.

Jesus died to save you from your past, He lives to bless you in your present and He rose from the grave to prepare a place for you future. All true. All by faith.

Grace and Peace to you, Pastor Gene
