

Responding to God's Grace

(Present, Transform and Humble Yourself)

Having spent a lifetime seeking God, the Apostle Paul learned that his pre-Jesus faith had been misguided. After he encountered and believed and obeyed the Lord, he came to a great understanding and he wrote that God deserves a response from you who has received His Grace. He wrote that you should:

- **PRESENT YOURSELF** to God for service:
Romans 12:1 *I beseech you therefore brethren... present your bodies a living sacrifice, holy and acceptable to God which is your reasonable service.*
Jesus presented Himself to the cross. Present yourself to Him.
- **TRANSFORM YOURSELF** by changing the way you think: **Romans 12:2** *And do not be conformed to this world, but be transformed by the renewing of your mind...*
Get into Jesus by getting into His word. Get into His word to get into His mind.
- **HUMBLE YOURSELF** within the body of Christ: **Romans 12:3** *For I say to you not to think of himself more highly that he ought to think, but to think soberly...*
Understand where you are in your spiritual maturity and seek growth from there.

God's Grace is undeserved by you and me. This undeniable truth leaves us with one conclusion; We don't deserve His grace but God certainly deserves our response.

Grace and Peace to you, Pastor Gene
